HALIBURTON MIDGETS

Just 60 Minutes Away From Championship

212-4
44-4-8

The Haliburton Midgets are just 60 minutes away from an All-Ontario Midget 'D' Hockey Championship. Playing in the first game of a best of three series with Belmont at the Haliburton Arena on Saturday night the local Midgets skated off with a 6-2 victory before a crowd of over 500 hockey fans, the largest crowd of the season.

A win in the second game to be played at Belmont this Saturday night would give the Midgets the title, which would be the first hockey championship ever for Haliburton.

The local team looked anything but impressive in the first two periods as Belmont held a 2-1 lead and seemed to have the game well in hand. But it was a different looking Haliburton team in the third period as the locals drove in five unanswered goals.

Craig Stamp opened the scoring at the 9:00 minute mark of the first period and two minutes later John Wilsey tied it for the Belmont team.

In the second period John

Wilsey scored again to give Belmont a 2-1 lead.

In the big third period Paul Wilson led the Haliburton scoring attack with two goals while singles went to Jim Allen, Craig Stamp and Randy Peters.

NOTES ON THE GAME

Louie Dummitt in goal for Haliburton was sensational as he kept the local team in the game, particularly in the first and second periods.

A fight broke out in the crowd near the end of the game and the O.P.P. had to restore order.

The turkey draw was won by Mrs. Verna Rae of Haliburton. Frank Andison and Ed Youngdale, both of Haliburton, had their names called for the Shoot To Score Contest.

Buses will be going to Belmont for Saturday night's game, and a large crowd of local fans will be attending the game.

We understand that if a third game is needed it will be played at Uxbridge.

Faye Sawyer Gets Appointment

Faye Sawyer, daughter of Mr. and Mrs. Stanley Sawyer of Haliburton, has been hired by the West Haldimand District High School Board to teach Girls Occupations in two schools operated in that district. Faye is presently enrolled in Grade 12 of the Five-Year Arts and Science course at Haliburton Highlands Secondary School.

Faye left high school in January, 1964 and during the year and a half she was out of school she took a course in hairdressing and received a licence. She returned to high school in September, 1965 and is completing her high school education this year. She is going to teach hairdressing and restaurant services.

Faye will be attending the Ontario College of Education for five weeks this summer in an initial summer course towards qualification.

Mr. Hodgson, the principal of Haliburton Highlands Secondary School, said "we at the high school are tremendously proud of Faye's initiative in being able to get such an appointment at her age. Faye has provided evidence of the great opportunities there are for young people in our country to learn as much as they can from each opportunity given them."

"It shows that if one uses his time well it does not take a lifetime to reach a position in society where one can provide services for his fellow man."

Thank You

The paper is late this week due to a breakdown in our Intertype machine.

We are indebted to Mr. Al Grier of the Minden Progress for the use of his Linotype machine to help us complete the news settings for our front page.

\$500. Jackpot

A large crowd attended the Bingo at the Legion Hall in Haliburton last night. The jackpot didn't go.

Next Wednesday night 60 numbers will be called for the Jackpot of \$500. The bingo gets underway at 8 p.m.

News About Local Students

We are pleased to report that two local students from the Provincial Institute of Mining at Halleybury made front page news this week.

Bill Mankinen of Haliburton was elected President of the Student Council.

Paul Yearwood was elected as Sports Representative.

They are both former students of the Haliburton Highlands Secondary School.

Business Programme

Next Monday to Friday a number of the prospective graduates of the Haliburton Highlands Secondary School Business and Commerce Department will embark on a Business Experience Programme. Local merchants and businesses are taking these fledglings under their wing for the week to give them a taste of life as it is lived in the work a day world outside the school.

Should any business, which would like to afford these prospective graduates an opportunity to gain helpful experience, have been overlooked when the department sent out requests, there are a few students for whom no place has as yet been found. A phone call to Mr. Jermyn at the school, Haliburton 193, would remedy this matter.

Addresses Rotary Club

Addressing the Rotary Club of Haliburton last Thursday night Mr. Harry V. McMurray a member of the plant location section of the Ontario Department of Economics and Development, stated that last year Ontario's Industrial Develop-

ment placed among the top three in North America. As further proof of Ontario's Economic predominance, consider the following. Ontario's factories produce 92 per cent of all office furniture, 90 per cent of all production of electrical industries, 87 per cent of all Agricultural implements and 95

per cent of all automotive products.

Speaking on the subject of the Ontario Trade Crusade, Mr. McMurray stressed the point that if the price, quality and other significant factors are comparable, then buy Canadian. In the long run Canadian industry must become competitive with producers in other parts of the world, but to do so it must have a broad base of domestic purchases to achieve this.

The speaker stated that the Trade and Industry Branch is responsible for industrial development within the province. A broad program is involved. In respect to new industry, we seek out companies to build new plants in Ontario, either on their own or with a Canadian Company. The plant location section provides companies interested in establishing new plants with vital information on raw materials, energy sources, availability of labour and other specific costs that are necessary to determine the most suitable location.

In closing Mr. McMurray stressed the fact that we can't stand still. If we are to maintain and improve our present level of employment and living standards, we must encourage development capital, find new industries and promote technological advances.

Letters To The Editor

April 10, 1967.

Mr. Berkeley Fair Editor,
Haliburton County Echo,
Haliburton, Ont.

Dear Sir:

On behalf of the Haliburton Highlands Crusade for Christ committee I wish to express to you our sincere thanks for the good coverage given the Crusade in your newspaper. Your helpfulness in this regard is greatly appreciated.

I would also like to take this opportunity to express our thankfulness to all those who helped in the Crusade through their prayers, presence, and financial support.

Your readers will be interested in knowing that the Crusade in Lindsay was attended by some 850 on the closing night at the Academy Theatre with standing room only. This was a fitting climax to the four weeks of special services, particularly when several publicly confessed faith in Christ.

Sincerely,

Stuart C. Wilson, Chairman,
Haliburton Highlands
Crusade for Christ committee.

April 10, 1967.

The Editor.

Dear Sir:

The Haliburton Red Cross Board extends sincere appreciation to the hard-working canvassers for the recent Red Cross Campaign, under the capable chairmanship of Mrs. Elwood Austin, and to the many generous contributors who made our campaign so successful. Every contribution no matter

how large or how small is deeply appreciated.

A special thank you was voted to the many cottage owners, our summer neighbours, whose contributions were received with gratitude. Mrs. H. E. Good's excellent chairmanship of this division of the campaign was acknowledged.

Among other services provided by the Red Cross in this area are loan cupboard for sick room supplies to the homes, a well organized water safety programme, blood transfusions service and a fully equipped Red Cross Outpost Hospital.

Thank you, Mr. Editor, for your space in this newspaper.

Sincerely,

Marion Henry, Chairman,
Public Relations,
The Board of Haliburton
Branch of the Red Cross.

To The Editor,
Haliburton County Echo.

STRANGE BELIEFS

Dear Sir:

I must take issue with something that was written in the Minden Progress recently, in the question and answer section.

Question: Are the Ten Commandments dead? Must we follow them?

Answer: Yes, they are. But follow them as guidelines.

Now I cannot see the reasoning behind the writer's answer, if a thing is dead all that can be done is either bury or burn it. But the writer says "follow them as guidelines" if as he claims they are dead then how can we use them as guidelines for our lives? There are many people mentioned in the daily papers who are standing in the prisoners dock hearing sentence pronounced on them just because they broke one or more of these dead things. For something that is dead they pack an awful wallop in misery and pain as these people will vouch for. Again as if this piece of contradiction was not enough, he goes further and says if you are unable to keep the Ten Commandments follow the command of Jesus "Love your neighbour". Why not take the whole of Jesus's statement, and I quote "Thou shalt love the Lord thy God with all thy heart, and with all thy soul,

WHAT DYSART COUNCIL DID

Dysart Council held their monthly meeting on Monday morning with all members present. Following the passing and approval of the minutes of the previous meeting council turned their attention to the accounts. Road Accounts were approved amounting to \$7,782.01 and General Accounts totalling \$7,689.66. Welfare Accounts amounting to \$1,398.08 were also passed and while this amount is in excess of the previous month it should be taken into consideration that there were five welfare weeks in March, costs in this department were bound to be up.

At the afternoon session of council four officials of the Department of Highways were present and they took up the matter of the coloured lights after considerable discussion council obtained permission to leave the coloured lighting as is for the time being. The council are asking permission from the Department of Highways to assume control of that portion of our streets within the town limits starting in the vicinity of the residence of Mr. J. A. Robertson and ending at the Dysart Community Arena. It was pointed out that as Haliburton is not a village this portion of road is just regarded as a through highway and any over hanging or parking signs would not be considered as legal. Also the doubt as to the municipality being able to enforce parking bylaws under the present system is very doubtful so that it would appear that assuming local control and making this section of the highway what would be known as a connecting link would be a splendid idea.

According to Mr. Watts of the Department of Highways the replacing of the white bridge which crosses the Drag River near the municipal garage is on the agenda and included in this year's budget but whether construction would get underway in 1967 he was not prepared to say at this time.

Mr. R. J. Curry appeared before council requesting council to appoint a Director of the Peterson Trail Association. Council obliged and appointed Councillor Harold Bannan as a director. The fact that Councillor Bannan works part time for the Department of Lands and Forests should make him a good director of this association.

Curry Motors were awarded the contract to supply a new five ton truck to the municipality. The tender price was \$5,997.00.

Unless the citizens of Haliburton who are interested in seeing this town secure water and sewage really raise Cain with the powers that be the chances of the most of us ever seeing water or sewage are very remote. Council tabled a letter from Kilborn Engineering Limited who stated that drilling operations performed here had failed to locate in any of the test holes drilled a sufficient supply of water. This of course will not be a surprise as the great majority of people considered this just a waste of time and effort. Kilborn Engineering also had other news which was to the effect that they would not be able to come up with a report re the taking of the water from a lake or

Meeting Re School Of Fine Arts

Fiftythree citizens from various sections of the Highlands gathered in the hall of the Haliburton United Church on Monday evening to discuss the establishment of a School of Fine Arts in this area.

Those who sponsored the event must have been heartened by the fine attendance and keen interest shown in this matter.

A meeting will be held in the near future to discuss what will be the first steps to be taken in order to get a school of this nature underway.

SUGAR AND SPICE

by Bill Smiley

I'D RATHER EAT SPAM

One of the great, bruising stresses of modern society to which socialologists pay little attention was imposed on me this week. I traded my car for a new one.

This psychological crisis comes to all of us, every two or three years. It bears looking at, as a manifestation of the tremendous pressures we have to cope with, and our grandfathers didn't.

What a snap they had. They went to a reputable horse-dealer and bought a horse. No sweat. They didn't even have to make the agonizing decision of whether to buy a brand new one or a late-model used. There was no such thing as a new horse.

What's more, they enjoyed it. There was some good-natured dickering which usually ended with both parties thinking they had got the better of the deal. Grampa chuckled as he drove his lively gelding home, thinking of how much trade-in allowance he'd received for Old Min, the mare, who hadn't much mileage left in her. And the dealer chuckled as he thought of the gelding steadily going blind, and the fact that the preacher, who knew nothing about horses, was looking for a quiet mare like Old Min.

My point is that it was not the wrenching, exhausting thing that a modern car deal is. The average layman then knew whether a horse was sound. He took a look at the teeth, felt the beast here and there, hitched it up for a trial spin, and made his deal.

There was only so much that could be wrong with a horse. He could be blind, or spavined, or wind-broken. But he didn't rust, there was no chance of his brakes grabbing, his transmission was automatically automatic, and he didn't cost \$1500 a year for life.

And that's one of the reasons I buy a car exactly the way Grampa used to buy a horse. I look at its teeth. That is, I lift hood to make sure there's a motor, and open trunk to make sure there's a spare. I don't feel the beast here and there, but I kick the tires and give the doors a good slam or two. I take it for a little trial spin. And if nothing

falls off, and the colour suits my wife, I deal.

There are different types of car buyers, of course. There's the kid who makes \$60 a week. He walks up to the red convertible with 80 yards of chrome, bucket seats and dazzling wheel discs, points to it and says, "Gimme dat one." Cheerfully, he signs the indenture papers which will enslave him for four years, and departs the lot with a squeal of tires. Where else can he find power and sex appeal for a lousy \$80 a month?

And there's the born horse-trader, who deals for the sheer joy of it. He spends most of his spare time in car dealers' lots, badgering the salesmen, disparaging the merchandise, and quoting the terrific deal that Honest John down the street has offered him. He seldom has a car more than six months and is deluded into thinking that his lot is improving with every trade.

But for the average layman today, buying a car is an excruciating ordeal. He suspects the dealer. He fears ridicule from his friends, all of whom have made excellent deals lately. He dreads the interview with the bank manager. He trails from one car lot to another, trying to find a buick for the price of a volkswagen. And the upholstery must match all his wife's clothes.

Not me. Not no more. Life's too short. Yesterday, I bought in 20 minutes. Let my wife drive it home. Oh, there were one or two little things. It stalled, and we discovered the battery cable was loose. The light in the ceiling wouldn't go out and I had to phone the dealer to find out where the switch was. One of the doors won't close. And there was a delightful bit of family excitement when my wife pushed the window-washer button, it stuck, and soapy water gushed over the windshield for five minutes with more suds than a detergent commercial.

But it'll all work out. Three years from now, it'll be just another rust-bucket, almost paid for. And I have probably added a year to my life by buying like Grampa. Try it yourself.

Lands And Forests Report

DUCK BANDS RECOVERED

To date 39 reports have been received from the 500 ducks banded at Presqu'ile Provincial Park during 1967. Eighteen of these ducks were shot within the Park and 15 were from elsewhere in Southern Ontario. Two bands were recovered in Quebec. Four bands were recovered in the U.S. (Vermont, Pennsylvania, Iowa and Virginia). The farthest traveller (Iowa, 700 miles) was a green winged teal.

These ducks included 16 blacks, 13 blue-winged teal, 7 mallards and 3 green-winged teal.

Card of Thanks

My family and I would like to thank all the members of our community for the care, interest, help and friendship you have given us during my prolonged hospitalization. I have greatly appreciated the cards, letters and the thoughtful gifts which made my illness so much easier to contend with. Although illness in any family is unpleasant we are glad to find we have so many friends here and that there are so many people in our community who still care for others. May God bless you. Sincerely,
Deena McNeill.

We would like to take this opportunity to thank all our friends and relatives for cards, treats and phone calls while I was in the General Hospital, Toronto. A special thanks to those who helped with chores and putting in furnace wood at home during my absence, and to those who cut and helped to draw wood while I was still under the weather. To all a grateful thank you.
Cecil Harrison.

The family of the late Sarah Brown wish to express their sincere thanks to relatives, friends and neighbours for their many acts of kindness and expressions of sympathy during our sad bereavement.

We, the family of the late Ernest Windover wish to express our deep appreciation to our relatives, neighbours and friends for their many acts of kindness, messages of sympathy, beautiful floral tributes, donations to the organ fund of the Hyland Crest Home, the Ontario Heart Fund, gifts of hymnaries to the Minden United Church, and Gideon Bibles to be placed where requested, and other contributions received during our sad bereavement in the loss of a loving husband and father. Special thanks to Rev. Cargo, Mr. Welch and staff of the Welch Funeral Home, the Honourary and active pallbearers, the attending Doctors and Nursing Staff of Ross Memorial Hospital of Lindsay, the Minden Red Cross Hospital, to Unit 1 and Ladies of the U.C.W. of Minden United Church, and to Mr. Jack Austin and staff of his service station.
The Windover Family.

Fifty years old?
Why...you haven't changed at all.

But your circumstances have changed. And perhaps your life insurance should, too. Because now your children have grown up. Retirement is at hand. And you may even have money left over at the end of each month. Now is the time to adjust your life insurance to your changed circumstances.

What about a lifetime income for your wife? Three out of five wives outlive their husbands.

What about estate taxes? With today's inflated values you probably have a bigger taxable estate than you think. Retirement savings are subject to death duties, too.

And your retirement? Retirement years can be most satisfying, if you have enough income.

The Man from Manufacturers will show you how life insurance can supply the answers. For example, it can insure a comfortable retirement. It can supply immediate cash after death to pay estate taxes. And it can provide your wife a comfortable life. You may not have changed. Your circumstances have. Shouldn't you review your life insurance with the Man from Manufacturers Life?

VIMY - APRIL 9TH, 1917

By GEO. BRENNAN

If you were to tell the average non-veteran man or woman on the street that Sunday, April 9th, 1967 was the 50th anniversary of Vimy Day, you would probably receive a blank stare and a shrugged shoulder. The same information imparted to the teenager including many of our university undergrads, would provoke, 'so what?'

These attitudes are reasonable and logical when one considers that 75% of the people in Canada today have no recollection or actual association with World War I. People cannot possibly either appreciate or understand experiences of which they know nothing or through which they have never passed.

World War I saw 645,925 Canadians serving; this figures 8.9% of the entire population and of the available male population possibly over 20%. Total casualties killed in action or subsequently died of wounds 66,655, wounded 138,166, total casualties were 10.3% of those who served.

The average citizen pictures the average Veteran as being 'getting up in years, likes his beer and cards, is crippled and likely down and out'. But this is not a true picture of Canadian Veterans. On the contrary, in every phase of Canadian life are to be

found Veterans. Leaders of our Federal and Provincial governments, ministers as well as backbenchers are and have been Veterans. Municipal governments from coast to coast Veterans have played and are playing their part in no small measure. In Commerce and Industry many leaders and executives are Veterans as are doctors, lawyers, teachers, etc. You will find dedicated Veterans giving or have given leadership in all matters concerned with moral and social problems. Many of those who served in war are still serving and striving for peace.

Canada has come a long way since that Easter Monday in 1917 when 100,000 Canadian soldiers united for the first time as a fighting formation and ready to go forward together. A few hours later when the battle of Vimy was won and the unity and comradeship of mutual achievement established, the First Canadian Corps was born. Yes, the battle of Vimy is a great milestone in Canada's history.

Among the members of the Haliburton Branch of the Royal Canadian Legion there are probably a dozen World War I Veterans although only one is still serving actively. I would like to see an invasion of all World War I Veterans at our next meeting when perhaps we could get to-

gether for some suitable re-union before it is too late.

While I speak for all Veterans, World War II and Korean, I am presently concerned that we remember those old Veterans who served over 50 years ago, particularly during this Centennial Year.

The Minister of Veterans' Affairs, Hon. Roger Teillet, has decreed that the week beginning June 11th to 17th inclusive shall be known as "Veterans' Week", the object being to remember the contribution Canada's Armed Forces made in two World Wars and in Peace.

Bridal Shower

Jean, Marjorie and Joanne Jackson, with the assistance of the W.A. members of St. Paul's Anglican Church, Minden, had a delightful shower of wedding gifts in honour of Miss Peggy Hewitt, bride-to-be. Over 80 persons were present, with many more gifts sent by others unable to be there. Peggy received many lovely and useful gifts and thanked the ladies for the beautiful gifts.

This was concluded by a very delicious lunch and cup of tea, and a social half hour was enjoyed by all.

CHURCH NEWS

ST. GEORGE'S W.A.

Twenty-four members and two visitors were present at the March 20th meeting of St. George's Anglican Church W.A. Evening Branch, held at the home of Mrs. Ken Moody.

It was decided at the February meeting that we should hold a Cup and Saucer Shower at the March meeting and donate them to the Senior Citizens' Home in Minden to assist in supplying dishes for their kitchen. Response was excellent and there were a goodly number donated.

The plans for the Faith At Work Conference, April 20 - 23, are in high gear. Dr. Marshall, a dentist, and Dr. Douglas, a chiropractor, are two more team members who will be attending, and will be speaking to the youth, and present at the Hootenany.

Tickets are now available for the dinners in connection with the Conference to which all are invited. There will be a roast beef dinner on Thursday night which the Rotary Club is hosting, and a fried chicken dinner luncheon on Sunday. Prices for the tickets for both dinners are \$1.25 for adults

and \$1.00 for students. Separate tickets required for each dinner. Brochures were available regarding Camp Koinonia which is on one of our beautiful lakes. People are reminded that there is a family camp period, so ladies for a pleasant holiday with no meals to prepare, no dishes to do, and baby-sitting services, start thinking about it and talk to your better half regarding Camp Koinonia.

Mr. Bob Rumball, who is coming to the Faith At Work Conference, is going to be guest speaker at our W.A. meeting to be held on Monday, April 17 at St. George's Anglican Church, Haliburton. It was suggested at our March meeting that we invite the womens groups and auxiliaries from the other churches in town and all present heartily agreed. We are looking forward to a most interesting and enjoyable evening.

Due to the approaching Faith At Work Conference, our educational secretary introduced us to some of the Faith At Work books and thought we might like to read them to help us understand the work that is done. About a

A Friendly Church Welcomes You

The FAITH AT WORK weekend

WHAT IS FAITH AT WORK?

It is a movement of clergy and laymen which encourages a more vital and practical application of our Christian Faith in the church, home, place of work, school, community, etc. It attempts to show how our Faith can be utilized in dealing with the many common problems and trials which we meet in our daily lives. In short it is Faith At Work.

WHEN IS THE FAITH AT WORK WEEKEND TO BE HELD?

It is to be held from Thursday, April 20th to Sunday, April 23rd, starting off with a combined Rotary - Faith At Work banquet which is to be held at the Haliburton Highlands Secondary School on Thursday evening at 6:15 p.m. The main speaker will be the Rev. Bruce Seebach, the conference leader. He will also introduce a number of the Team Members who will be working with him. Everyone is cordially invited to attend this banquet and tickets costing \$1.25 will be on sale.

WHO WILL BE LEADING THE LOCAL FAITH AT WORK WEEKEND?

The Rev. Bruce Seebach, minister of a church in Hamilton, will be the leader. The co-leader will be Mrs. Mary Fleuty of Cooksville. Some 30 team members from out of town will also be present to assist in the Workshops, Coffee Parties, and the Saturday Night Hootenany for our young people, etc.

WHO WILL TAKE PART?

Although the Faith At Work weekend is to be sponsored by the local Anglican Parish and United Church Charge, EVERYONE is most cordially invited to take part.

WHAT ARE WORKSHOPS?

Workshops are sessions where particular subjects are discussed. Each Workshop is led by a team member who is well versed and knowledgeable in that particular field. The topics of the Adult Workshop are as follows:

1. Christian Style of Life
2. Life Together as a Family
3. The Christian in Business
4. Today's Social Problems
5. How to Help People
6. Today's Youth (Adults Only)

These will be held at the High School on Saturday evening, April 22nd at 8 p.m.

WHAT ARE COFFEE PARTIES?

Coffee Parties are small informal gatherings of from 10 to 15 people at which the visiting Team Members share their Christian Faith and invite discussion on spiritual matters. They are held in various homes throughout the area and coffee or tea will be served. These will be held on:

Friday morning - 10 a.m. (out of town 10:30)
Friday evening - 8 p.m. or 9 p.m.
Saturday morning - 10 a.m.

HOW MANY COFFEE PARTIES CAN I ATTEND?

One, two, or three As many as you have time and inclination to attend.

IS THERE ANYTHING PLANNED FOR THE YOUNG PEOPLE?

Yes! Friday evening at 8 p.m. there will be a Coffee Party, especially for young people. Then on Saturday morning at the Haliburton United Church at 8:30 a.m. there will be a Young Peoples Breakfast. This will be followed by a special Youth speaker. Following the breakfast speaker there will be Workshops on these topics:

1. Youth and Social Life
 2. The New Morality
 3. What has the Church to offer Young People
 4. Understanding Today's Adults (Youth Only)
- Saturday evening at 8 p.m. a Young People's Hootenany is planned in the High School auditorium. There will be a special speaker and coke and doughnuts will be served. It is hoped that all young people in our area will take advantage of these activities and that parents will encourage them to do so.

ARE HOMES STILL NEEDED FOR BILLETING AND COFFEE PARTIES?

Yes, homes would be greatly appreciated for both. For those billeting team members breakfast on Friday, Saturday and Sunday mornings may be required, depending on what activities your team members are taking part in. Otherwise the catering committee is looking after their meals. Anyone wishing to offer their home for Coffee Parties, please get in touch with Mrs. Vance English (phone 385) or Mrs. Ron Curry (phone 286); for billeting Mrs. Douglas Hodgson (phone 71R4) or Mr. Walter Hobden (97W1). Prayerfully consider this opportunity to serve the Lord in a most important and practical way.

ARE THERE ANY SPECIAL ACTIVITIES FOR THE MEN?

Yes, on Sunday morning, April 23rd at 8 a.m. the Brotherhood of Anglican Churchmen are sponsoring a Corporate Communion and Breakfast meeting to which all men are invited. Members of the team will address the breakfast meeting.

WHAT HAPPENS SUNDAY MORNING IN ADDITION TO THE MEN'S BREAKFAST?

It is anticipated at this point that Team Members will take part in the regular morning worship services in the two charges. What about a wind-up session? Yes, everyone is invited to the High School at 12:30 p.m. on Sunday for a luncheon served in the cafeteria, costing \$1.25. Then at approximately 1:30 p.m. we shall assemble in the high school auditorium for the closing session to what we hope will be an exciting and enriching weekend.

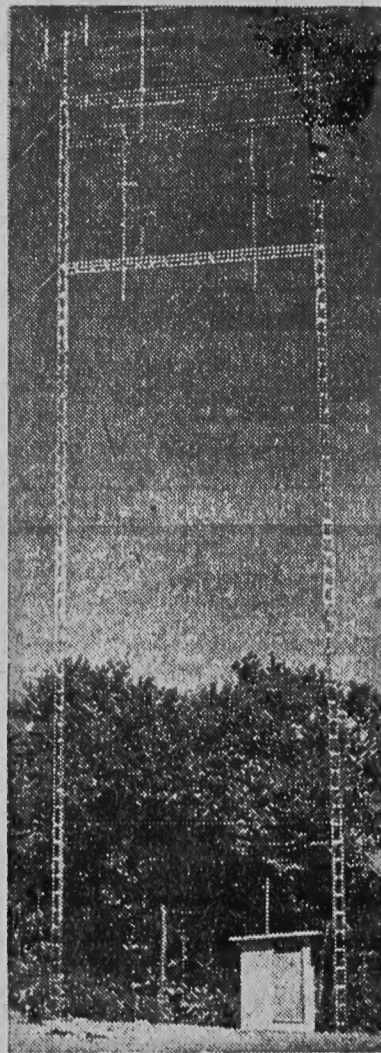

SHOULD I GO?

Much prayer and planning has gone into this weekend and it is the sincere hope of the local Faith At Work committee that EVERYONE will take part in this weekend. We pray that it may bring a great spiritual blessing to our area. Its success depends on YOU.

Tourist Council Allocates \$500 To Pioneer Road

BANCROFT, Ont. (CP) — The Madawaska Valley Regional Tourist Council has allocated \$500 for restoration of one of Ontario's first colonization roads as a nature trail.

About 80 miles of the Peterson Road, which originally linked Bancroft, 60 miles northeast of Peterborough, to Muskoka Falls, 30 miles north of Orillia, will be cleared for use by motorized toboggans, hiking and horseback riding. About six miles has been completed to date.

The Peterson Road, named after an early surveyor, cuts through rocky terrain which was difficult in pioneer days. A southern route was more popular.

MAPLE LAKE

(Intended for Last Week)

Mrs. Harold Dawson and Tracy of Ottawa were home with Mr. and Mrs. Stewart Dawson for a week's holiday.

We are sorry to hear Mr. James Packard of Maple Lake is again in the Lindsay Hospital. Mr. Gordon Carr was in the Haliburton Hospital for a few days.

Mr. and Mrs. Don McMurtry and Mary Ellen of Oshawa were home to visit her dad, Mr. John Morrison.

Mr. and Mrs. Stan Dawson and family of Toronto spent the Easter holiday at their cottage.

Several summer residents were in their cottages over Easter.

Mrs. Herb Fountain who suffered an injured back due to a fall is improving. Clayton and Gordon Cruikshanks of Haliburton called on her last week.

Mrs. Victor McBrien is now at her daughter's home in Sarnia.

Mr. and Mrs. W. Barry of Cochrane visited relatives over Easter.

Mr. and Mrs. H. Burden made a business trip to Sault Ste. Marie while at their cottage. He expects to teach in their High School next season.

Mr. and Mrs. Ray Griffin and family have moved into the Boice homestead.

We understand that Brown's Camp Ltd. have purchased the Griffin property.

Mr. Napier Simpson and family and friends were to Blagdon Hill over the weekend.

Mr. and Mrs. Cecil Johnston were glad to have all their family and grandchildren home last week.

The sideroads in the community are nothing to brag about, so be careful.

Mr. Alex Hewitt and local carpenters are engaged at the Old School House at Lower Maple Lake, turning it into the local Municipal Chamber.

Mr. and Mrs. John Morrison who have been with Mr. and Mrs. Perry Morrison were home for the weekend.

Mr. and Mrs. Lorne Sawyer are now employed with the Brown's Camp.

Mr. and Mrs. Harley Faders of Donald were at Grace and Charlie Morrisons last weekend.

The Wardens were delighted with the Easter Sunday attendance at St. Peter's, and believe the largest collection for one Sunday was reached.

How about a Pot Luck Supper? Wardens to boost the fund for St. Peter's Church as the inside needs doing as well as the outside.

The Recreation Club held their April meeting at the home of Violet Smith on Monday, April 3.

OBITUARY

SARAH BROWN

There passed away at Minden Red Cross Hospital on Saturday, March 25, 1967, Sarah Brown, of Big Bob Lake, in her 83rd year.

Born in Anson Township on April 23, 1884. Sarah Smith was the daughter of the late Walter Smith and Harriet Hyde. She married the late Delbert Curtis Brown on August 12, 1903, residing in this area and being active in church and community until his death in 1946. She then moved to Big Bob Lake to stay with her brother, William Peter Smith.

Known and loved throughout the county as Aunt Sarah, her home and heart were open to all. She was predeceased by four brothers and four sisters.

Her passing is sadly mourned by her only son, Claude A. Brown and five grandchildren of Minden, her brother, William P. Smith, as well as many relatives and friends.

Final respects were made at the John Welch Funeral Home. Funeral service was from Minden United Church, conducted by Rev. James Cargo, assisted by Rev. Charles Dymond and Rev. Ian Fleming of Preston.

Interment was at Minden Cemetery.

Pallbearers were nephews, Lloyd Smith, Jack Jackson, Max Jackson, Reginald Welch, Oswald Snell and Jack Snell.

ERNEST WINDOVER

There passed away on Sunday, March 26 at the Ross Memorial Hospital, Lindsay after a lengthy illness a highly esteemed resident of Minden, Mr. Ernest Windover.

Mr. Windover was the son of the late John Windover and Sarah Taylor, and the great great grandson of the late Zachary Taylor, President of the United States. He was born in Lakefield, Ontario on May 19, 1893. After the death of his parents he went to Minden, Nebraska to make his home with his sister. He was of Methodist faith, having joined the Minden, Nebraska Church in his early teens, a connection which he never severed and which was very dear to him.

He returned to Canada in 1914 and married Mary Pogue of Minden and established their home in Lindsay, later moving to Minden where, for many years until ill health prevented, they operated a summer resort business on Gull Lake, after which they retired to live in Minden.

Mr. Windover was at all times deeply concerned with the affairs of the country, and worked untiringly for the betterment of his community. He possessed a cheerful disposition and had a happy faculty for making friends. He got much out of life, and by his ready willingness to help he will be remembered by a host of friends far and near.

The funeral, conducted by Rev. Cargo, was held Wednesday afternoon from the Minden United Church. The large number of floral tributes was a silent testimony of the high esteem in which he was held by his many friends. He was laid to rest in the Minden Cemetery.

Remaining to mourn his passing in addition to his wife, are four daughters, Mildred (Mrs. Lloyd King), Leona (Mrs. Albert Garden), both of Lindsay, Grace (Mrs. Harry Earle) of Minden, Jeanne (Mrs. Gary Vasey) of Bradford; one son, Roy of Minden a son Junior predeceased, ten grandchildren and four great grandchildren. He is also survived by a brother Orville of California.

Honourary pallbearers were Hon. Leslie Frost, Mr. Clayton Hodgson, Mr. Glen Hodgson, Mr. William Scott, Mr. Walter Deverall and Mr. Wilbert Worsley.

Active pallbearers were Mr. Morgan Prentice, Mr. Dick Kirkwood, Mr. Mark Vasey, Mr. Earl Hewitt, Mr. Pat Clarke and Mr. Dave Stamp.

MINDEN

Library Report for March was: hours open 43, with total circulation for the month being 790. The hours continue the same, Monday, Wednesday, Friday and Saturday 3 - 5 and Tuesday and Thursday 7:30 - 8:30. There have been some new books exchanged and these are quite evident in the spacious room.

Mr. and Mrs. John Bumister and family have returned to Ontario after three years in Jamaica. They will be residing in Toronto.

ANNOUNCEMENT

My attractive one thousand acre estate on Spruce Lake near Haliburton village has now been sold by JAMES B. COOPER, Realtor, to Brown Camps Leasing Limited.

Please extend to them the same good will that we have enjoyed.

Sincerely,

MRS. MADELEINE JACKSON.

Letters To Editor

(Continued from Page One)

and with all thy mind, and thy neighbour as thyself." Three of the gospel writers quote these words almost word for word, Matt. 22:37; Mark 12:30; Luke 10:27. In order to love one's neighbour, we must take a closer look at the first part of this statement of Jesus, in fact at all Ten Commandments.

Notice in reading them, the first five deal with our attitude toward God, the second five with our attitude toward our fellow-man, therefore in order to love our neighbour we must first and foremost love and honour God for love stems from God, secondly it is imperative that we observe and obey the second section. Look again and it will be seen that all Ten Commandments are contained in these two commands of Jesus, we cannot do the one without the other, and only in

this way will we be able to practice love to our neighbour. Just to illustrate a point how would the writer feel should someone break one of these dead Commandments effecting him, just how long would that particular command remain dead, not too long before he would be screaming for protection. So in spite of what the writer says, these Ten Commandments are just as vital, and alive and meaningful today as they were when they were first given to the people of Israel. So let us stop writing this kind of harmful propaganda as it only tends to confuse rather than help.
